

TEAM Program Application Form 2025-2026

Thank you for your interest in the TEAM (Teaching Environmental and Agricultural Memories) program with the Sonoma Resource Conservation District. We are elated to offer this unique on-farm experience to classes annually in our community. This program consisting of one field trip and one pre and post classroom visit, supports the Next Generation Science Standards (NGSS) and greatly enhances students' understanding and appreciation for our local agricultural landscapes and natural environment. **There is no charge for this field trip experience, which is made possible by the voters of Sonoma County who fund the work of Ag + Open Space with a quarter-cent sales tax.** All applications are due by September 5th for priority date selection.

Diversity, Equity, and Inclusion: Our conservation education programs serve the youth of Sonoma County and are committed to providing a safe, equitable, and inclusive learning environment for all students and participants. Our team believes everyone should have access to the healing benefits and awe of our natural environment.

The TEAM program is made possible by the Sonoma County Agricultural Preservation and Open Space District. A quarter cent sales tax initiated by the voters of Sonoma County directly supports all program operational costs including student participation and transportation scholarships.

Dates for Field Trips

Each TEAM field trip goes from 9:00 am to 1:00 pm, with a 30 minute brown bag lunch included in this window. To maximize the impact of the trip, please plan on staying for the full 4 hours of your field trip. Date selection will be selected by the Sonoma RCD staff to maximize visits for teachers. Please select your top three choices.

Thanks to the support of Sonoma Ag + Open Space, we are able to reimburse schools up to \$250 for transportation. Please ensure transportation is available **before** you submit an application. If school buses are required, we will ask for confirmation that a bus is available. School transportation reimbursement forms are available at: [TEAM-TransportRequest-Application2023-26](#)

A member of our team will contact you to confirm your final date selection as well as to schedule the pre and post 45-minute classroom visits. These are mandatory to participate on the field trip. By submitting this application, you are committing to stay for the full field trip, participate in the pre/post classroom visits, and bring all signed student liability waivers provided by the program for each of your students to the on-farm field trip date.

Please return this completed form and your Transportation Request to **Maria Wnorowski, Community Engagement Program Manager** mwnorowski@sonomarcd.org. You will be notified after the application period closes about field trip availability based on your preferences above. We work diligently and do our best to accommodate all applicants.
